The foregoing list comprises all the cases in which no decrees have been passed, as appears by the arrangement of the records. The undersigned has not reported an "accurate list" of all cases remaining in his custody, because to do so would require months of preparation and such a list would make a large volume. He has endeavored to comply with the requirements of the law as fully as it is possible to do.

He would respectfully suggest and recommend the appointment of a Committee of the Legislature to examine the proceedings of the Court of Chancery which were recorded for a period of fifteen or twenty years before the expiration of that Court, with a view to having the same properly bound and in-

dexed. These records are upon loose sheets, very imperfectly arranged without any index, and are not more secure in their present form than the original papers and proceedings.

I have the honor to be, Sir,

Very respectfully,

Your obedient servant,

Wm. L. W. SEABROOK,

*Commissioner of the Land Office.*
